

## ACCREDITATION FOR MEDICAL DOCTOR IN CANADA/ONTARIO

### *FOR FAMILY PHYSICIANS*

To start the process you need to contact The College of Family Physician of Canada. Web site: [www.cfpc.ca](http://www.cfpc.ca)

It is the legal certifying body for the practice of family medicine in Canada. The licensing body for physicians & surgeons in Ontario is The College of Physicians & Surgeons of Ontario. Web site: [www.cpsso.on.ca](http://www.cpsso.on.ca)

After the 2 colleges reviewed your qualifications, they will inform you whether you need to go through further training & examination, or whether you can qualify for an alternative pathway in which you can work under the supervision of a family physician for one year, go through a chart assessment process & then qualify to work as a family physician in Ontario.

### *FOR SPECIALISTS ( MEDICAL OR SURGICAL)*

To start the process you need to contact the Royal College of Physicians & Surgeons of Canada. Web site: [www.royalcollege.ca](http://www.royalcollege.ca)

It is the governing body of specialists in Canada .It will direct you to contact the corresponding specialist society.

The licensing body for physicians & surgeons of Ontario is The College of Physicians & Surgeons of Ontario. Web site: [www.cpsso.ca](http://www.cpsso.ca).

After the 2 colleges reviewed your qualifications, they will inform you whether you need to go through further training & examination, or whether you can qualify for an alternative pathway in which you can work under the supervision of a specialist for one year, go through a chart assessment process & then qualify to work as a specialist in Ontario.
